

# HIGH SCHOOL PROFILE 2024-2025

## OUR SCHOOL

The Mouratoglou International School is part of The Mouratoglou Academy where students from all over the world (with over 45 different nationalities) harmoniously combine intensive training, tournaments, and a school curriculum. It is an American Curriculum Private School situated in the South of France (registered with the Ministère français de l'Éducation Nationale – French ministry of education), enrolling an average of 130-day students and student-athletes in grades 6 to 12. High school enrollment for the 24-25 academic year is 122 students. Our classroom size does not exceed 16 students. The academic year starts in September and ends in June.

The Mouratoglou International School is passionately dedicated to individually enhancing the prospects of all our students in a safe and personalized environment. We give every student athlete the tools to live their passion, realize their dreams of excellence, and push their limits of the achievable.

INTERNATIONAL SCHOOL

## Excellence & Well-Being

Our mission is to support each child in a personalized way so that they can achieve their goals. Our timetable is built with flexibility, allowing each student to follow a complete educational program while feeding their passion for sports. This method creates the best conditions for learning and maintaining a balanced life. The adapted timetable also allows students to improve their foreign language skills, to take care of their physical health (thanks to adapted training programs) and to receive support from teachers to prepare them for the next step towards their academic careers in the United States, France or around the world.

## Personalization & Fulfillment

Our goal is to guide and support each student, with passion and dedication, so that they push themselves to achieve their full potential. To do this, we have created a dedicated teaching team, bringing together qualified and experienced teachers and a principal with a complementary international background.

## Curriculum

Our curriculum is varied to match our students needs and academic goals. We follow an American Curriculum. The language of instruction is English (except for foreign language courses). We offer regular, honors, and AP classes. Students still acquiring English, receive weekly English support. All students are required to take French while enrolled at MIS. Each semester-long course earns a half credit. All our courses are NCAA (National Collegiate Athletic Association) recognized as meeting eligibility criteria. Our school does not allow for dual enrollment.

### Leadership

**HEAD OF SCHOOL**  
DAMIT Jean-Paul

**CAMPUS DIRECTOR**  
TESTARD Stephanie

**SCHOOL PRINCIPAL**  
CROVETTO Ana

**TENNIS AND SCHOOL MANAGER**  
CATILLON Alexis
